

## **The area around Mayfair – page 1**

This document is intended to be an adjunct to the pages on the web site about the area around Mayfair.

The numbers on the maps are not intended to give an order of visiting but just to enable labelling. You decide on your own route. Underground stations are labelled in blue lettering and station entrances are marked with a blue square somewhere near the title. For example – on the first map near the centre of the right-hand edge just below the figure '9' is the label for 'Green Park' station with the blue block marking the entrance just below.

The Map 2 is the continuation of the Map 1 from its right-hand edge and they overlap a little. You could tape them together if you wish.

### **Key to the labels:**

1. Royal Opera Arcade.
2. St. James's Palace.
3. 17th century shop (Berry Bros. And Rudd) and Pickering Place.
4. 18th century Blue Ball Yard.
5. St. James's Church.
6. Piccadilly Circus.
7. Burlington Arcade.
8. The Royal Institution.
9. Piccadilly and the Ritz Hotel.
10. Shepherd Market.
11. Piccadilly and Green Park.
12. Wellington Arch at Hyde Park Corner.
