

## **The area around Soho – page 1**

This document is intended to be an adjunct to the pages on the web site about the area around Soho.

The numbers on the maps are not intended to give an order of visiting but just to enable labelling. You decide on your own route. Underground stations are labelled in blue lettering and station entrances are marked with a blue square somewhere near the title. For example – on the first map top right of centre is the label for 'Tottenham Court Road' station with the blue block marking the entrance just below.

### **Key to the labels:**

1. Liberty's.
2. Carnaby Street.
3. The Old Coffee House.
4. Great Windmill Street.
5. Walker's Court.
6. Rupert Street.
